

HYSA FALL 2024 STANDINGS

The following teams have placed and earned medals for the Fall 2024 season.

Standings are determined by points given for wins (3 points) and ties (1 point). Goal differential is not considered. Ties are broken by head to head competition. If teams are tied in both points and head to head, then both teams receive medals unless in cases of playoffs. If three or more teams are tied in points, then the point system is applied to only games between those teams.

Scores for any games not played or reported will remain blank.
Games against U9/U10 OR (Open Roster) teams are also blank.
U9/U10 teams that do not place will receive participation medals.

Medals are awarded by bracket and age.

For combined age brackets, medals are determined by the number of teams in each age.

1 - 4 teams = 1st place
5 - 7 teams = 1st/2nd place
8 - 11 teams = 1st/2nd/3rd
