

HYSA FALL 2025 STANDINGS

The following teams have placed and earned medals for the Fall 2025 season.

Standings are determined by points given for wins (3 points) and ties (1 point). Goal differential is not considered.

Tiebreakers- Ties are broken by head to head competition.

If teams are tied in both points and head to head, then both teams receive medals unless in cases of playoffs

If three or more teams are tied in points, then the point system is applied to only games between those teams.

Games against U9/U10 OR (Open Roster) teams will remain blank.

U9/U10 teams that do not place will receive participation medals.

Split Brackets (7 and 8 team brackets)- only scores for first round of games count for standings

Scores for any games not played or reported will remain blank.

Medals are awarded by bracket and age.

For combined age brackets, medals are determined by the number of teams in each age.

1 - 4 teams = 1st place

5 - 7 teams = 1st/2nd place

8 - 11 teams = 1st/2nd/3rd
